

2008 Road Runners Club of America Live Auction

The annual RRCA Auction, conducted by Jeff Darman and Phil Stewart, is designed to raise funds for RRCA programs for the upcoming year. The auction will be held during the RRCA Convention in Cincinnati, OH on Saturday, May 3 prior to the Awards Banquet. It provides a fun way for a club or individual to assist the RRCA while bidding for sought after items. Many of the items offer “one of a kind” opportunities for your race, club or special volunteers.

Seeing this list now gives you the opportunity to talk with your club and come to the auction with club or personal checkbook in hand, to bid on these items. The RRCA will use funds generated at the auction to promote running year-round.
